ABOUT THIS PROTECTION PROGRAM

We are pleased to offer you protection for your personal belongings in the form of our CrownCare Domestic Transit Protection Program which is administered by Crown Relocations with additional coverage underwritten by AXA. This application form provides important information about the program and the decisions you should make regarding it.

WHY PURCHASE TRANSIT PROTECTION?

Protecting your personal belongings against the possibility of loss or damage is a prudent decision whether you are at home or preparing for a relocation. Your personal insurance policies (home contents or automobile policies) likely provide very limited, if any, coverage for your personal belongings while they are in transit from one permanent location to another. Even though Crown Relocations will take every precaution to eliminate risk, you will appreciate that the distance involved, coupled with the rigours of transit, means that loss and/or damage to your personal belongings may occur. Crown Relocations, therefore strongly recommends Transit Protection to ensure that you are duly compensated for any loss or damage which may occur.

REPLACEMENT COST - LUMP SUM VALUATION BASIS

Lump Sum: “It’s Never Been So Easy”

This is Crown Relocations most popular, ‘no fuss’ choice of insurance due to the minimal amount of paperwork required.

Once our representative has established your need they will provide you with a Lump Sum Insurance premium based upon the agreed inventory list. There are both Standard and Premium options.

Each individual item, pair or set that is greater in valuation than \$2000, must be listed on the Application Form individually with the replacement valuation cost. Items over \$2000 in value will require a slight increase to the premium.

Once you have completed and signed the Application Form, you must return it to your Crown Relocations Coordinator, who will then ensure that your coverage is in place.

WHAT SHOULD I KNOW BEFORE COMPLETING AN APPLICATION FORM?

You are encouraged to carry jewellery and furs with you. However, should you elect to include these items in your shipment, please be aware that **our responsibility is limited to a combined total of \$5,000 for jewellery and furs unless specifically declared and valued.**

Protection can be provided for most lawful items normally associated with the contents of your residence. **Items not covered include living things, perishables, money, securities, valuable papers, documents or data stored on tapes or disks as these items are excluded from protection.** Crown Relocations suggests that you carry such articles with you or discuss alternate arrangements with your Crown Relocations Coordinator. **Please note that you must be able to substantiate value of any article valued at over \$2000 in your shipment. An antique chair is just an old chair unless you have substantiation in the form of an appraisal or sales receipt. The value declared on your Application Form does not substantiate value.**

WHAT IF I WILL BE MOVING MY AUTOMOBILE, MOTORCYCLE, OR BOAT?

These items are to be valued in a slightly different fashion than the remainder of your personal belongings. You should declare what it would cost to purchase a similar item taking into consideration the age and condition of your automobile, motorcycle, or boat. These should be listed separately on your application form.

When you release your vehicle to Crown Relocations, make sure a "certificate of condition" is completed and agreed to. This will be the proof of the condition of your vehicle at the time you surrendered it to Crown Relocations. When your vehicle is received at destination, you should compare this original form to the condition of the vehicle when received and note any differences in writing.

Note also that your vehicle should not be used as a packing container. Crown Relocations will not accept responsibility for loss or damage to items packed within a vehicle.

WHAT ABOUT INCLUDING THE MOVING CHARGES?

You have the option to include the costs of your moving charges in your protection plan. If your shipment were completely destroyed, you would not normally be able to recover the costs you had expended for moving. Declaring these charges could permit you to recover them.

WHEN DOES THIS PROTECTION BEGIN?

Provided you have already requested calculation protection from Crown Relocations, it begins at the time Crown Relocations begins packing your shipment. If your goods were already packed or in storage when you requested protection, it begins at a time Crown Relocations received your request. In no case will coverage begin before your personal belongings begin packing or before transport from storage begins. Please also note that unless pre approved credit has been granted for your move insurance cover will not be in force until the premium is paid.

WHEN DOES THIS PROTECTION END?

If you have requested to arrange transportation on a door-to-door basis, coverage continues through the ordinary course of transit until your shipment is delivered and unloaded at your new residence. If your shipment is placed in storage you should extend your protection and remit the appropriate charge to keep the plan in effect. If Crown Relocations unpacks your shipment within 14 days of its arrival at your residence, the plan will remain in effect for the unpacking process.

If your shipment is delivered to a "self-storage" facility, coverage ceases upon delivery of your personal belongings and will remain in effect only on those items noted as missing or damaged at the time of delivery.

If you have contracted with Crown Relocations to provide services on a door-to-store, the plan ceases when your shipment arrives at the store.

ARE THERE ANY LIMITATIONS OR EXCLUSIONS TO THIS PROTECTION PLAN I SHOULD BE AWARE OF?

There are certain events, circumstances and occurrences which may cause loss or damage that Crown Relocations will not accept responsibility for. These denials are consistent with industry standards and include the following:

- Breakage, scratching, denting, chipping, staining and tearing of personal belongings you packed yourself.
- Damage caused by wear and tear or gradual deterioration.
- Loss or damage caused by inherent vice, moths, vermin or changes in atmospheric or climatic conditions.
- Depreciation in value caused by substandard repairs.
- Radiation or radioactive contamination
- Pairs & Sets: The Standard Option will pay only for that part of a pair or set that is actually damaged or lost.
- Mechanical Breakdown: The Standard Option excludes coverage for equipment that is discovered to be inoperable at your destination unless there is clear evidence of damage to the item itself or the shipping container.
- Mould & Mildew: Crown's Lump Sum cover excludes coverage for damage to items caused by mould or mildew resulting from a change in atmospheric conditions during transit.
- Live Freezer Contents and Pot Plants: The Standard Option excludes coverage for loss of the contents of the freezer due to thawing and death of the pot plants due to the exclusion of "Inherent Vice".
- Consequential Loss: This policy will not cover consequential losses arising from the delay, damage or non-delivery of your shipments.
- Terrorism for personal belongings in storage
- Owner Packed Goods: Cover excludes damage arising to owner packed personal belongings. Also excludes missing items from owner packed cartons or packages unless an itemised valued list of the contents of each carton or package is attached to this application form and forwarded to Crown Relocations prior to the commencement of the transit.
- Creasing of clothing while packed for transit, or store. This is an inherent vice and will naturally occur.
- Note: A full explanation of the limits / exclusions and denial of responsibility can be found in the terms and conditions. Crown Relocations strongly suggests you familiarise yourself with them.

PROTECTION ENHANCEMENTS

You are covered for the following additional options when you take our 'no excess' Premium option:

I. PAIRS & SETS COVER (PREMIUM OPTION ONLY)

When an item is part of a pair or set, the Standard program will only pay for those specific items that suffer loss or damage. We will not accept responsibility for the other articles or for the reduced value of the pair or set.

Example: A three-piece furniture set, comprised of one sofa and two chairs, is included in your shipment. One of the chairs is damaged and requires upholstery. Payment will only be made for the cost of repair or replacement to the damaged article, with no consideration for a possible reduction in value of the set.

Example: If an item from a pair or set were lost, payment would be made only for the lost items with no consideration given to the possible reduction in value of the pair or set.

Why should I consider the Premium Option?

In the event of loss or damage to any item or items forming a pair or set, consideration will now be given for the fair reduction in value of the pair or set, taking into consideration the importance of the lost or damaged item to the pair or set.

Note: Crown Relocations reserves the rights of salvage for any goods which are deemed a total loss and subject to replacement.

Note: A "set" is defined as any item that relies on another item to be complete. If this is the case, the pieces are considered a "set."

2. ELECTRICAL & MECHANICAL DERANGEMENT COVER (PREMIUM OPTION ONLY)

Upon arrival at destination, occasionally an electronic or mechanically operated item will prove to be inoperable. Unless there is clear sign of damage to the items or its shipping container, the Standard option will not cover this loss. This situation generally manifests itself with computer equipment, stereo systems or other devices where intricate components and circuitry are affected by the constant motion inherent in shipping household goods. This optional coverage excludes automobiles and campers.

Why should I consider the Premium Option?

Coverage will now be extended to include loss or damage to electronic/mechanical items where no clear evidence of damage to the item or its shipping container is visible. It is important to note, however, **that this coverage only applies to items 6 years old and newer** and also to those items that have been professionally packed in accordance with manufacturers' specifications, where possible.

3. LIVE FREEZER CONTENTS AND POT PLANTS (PREMIUM OPTION ONLY)

If we are relocating your freezer with contents still contained therein or your pot plants, loss of the contents or death of the pot plants is excluded from cover due to the policy exclusion of "Inherent Vice".

Why should I consider the Premium Option?

Coverage can be granted on damage to or loss of your freezer contents and for death of pot plants by taking this optional coverage extension.

N.B. Missing freezer contents are excluded at all times unless an itemised valued list is provided prior to the commencement of transit.

WHAT HAPPENS IF MY GOODS ARE LOST OR DAMAGED IN TRANSIT?

While the vast majority of shipments arrive without loss or damage, sometimes loss or damage will occur. Once any missing or damaged items are noted, contact your Crown Relocations coordinator advising what has been noted. Crown Relocations will immediately send claims instructions to you.

In the event that you need to make a claim, please ensure that due notice is given to either Crown Relocations or the origin or destination agent, within the time limits specified within the terms of the policy. Failure to notify loss/damage within the time limits specified is likely to prejudice your claim.

In the event of loss or damage which may give rise to a claim under this coverage, notice should be given to Crown Relocations or its authorised agent within 30 days after delivery or 30 days after the scheduled delivery date, in the event of non-delivery.

Remember the following:

- Items over \$2000 in value that are not declared and valued may not be adequately protected by this plan.
- If you're relocating a vehicle, don't use it as a shipping container. The car can be damaged by items shipped in it.
- Please return the original of the Application form to Crown Relocations before Crown commence packing your relocation.
